Welcome Back

Happy New Year!

Calendar

Please make note of the following on your calendars at home:

- January 94's Rescheduled Polar Express
.....P.J. Party
- January 15- Feb 2
.....In-house Registration for 09-10
- January 19.....No School

Weather related School Closings

Children's Discovery Center follows the Winchester school system in closing for snow and other weather related days. Children's Discovery Center will be closed **ONLY** when the Winchester School system closes for the day. Late openings do not affect the Children's Discovery Center. Parents are asked to use their discretion when transporting children during late openings.

Local radio and television stations will announce these late openings. Additional days will not be scheduled for weather related closings.

January Curriculum

Having snow so early in the season will be great for our curriculum.

This month we will focus on Winter, with snow and ice. We may discover what animals stay out in the Winter and which ones hibernate.

We hope to go sledding.

In any event, it will be a fun filled time for your children to explore and "discover" what is around them each and every day.

Thank you for your donations:

Last month we received: Juice, apples, raisins, fig newtons, grapes and birthday cupcakes.

These items were donated by: Olivia Prusak, Gage Flaherty, Kaitlyn Crowley, Kayla Remmey, Isabella Zaragosa, and Jacob Linnetz.

Thank you for keeping a watchful eye for items from our wish list. This month we are in need of fresh fruit and vegetables.

2008-2009 Registration!

It is time to think about registration for next year! We will open registration to families already registered this year and to any siblings and alumni this month. We will open the registration to the **Public on February 6, 2008.** Registrations will be accepted on a first come first serve basis. If you do not have your registration in by **February 1**, you may lose your slot. I have already received calls from the public and have placed them on a waiting list for February 1. Registrations will be available to families currently enrolled and siblings on January 15, 2009
