February Calendar

February is here already! Before we know it, it will be over. Please mark your calendars at home with the following dates:

- February 5.....3's Visit the Post Office
- February 64's Visit the Post Office
- February 123's Friendship Party
- February 13.....4's Friendship Party
- February 16-20.....Winter School Break
- March 5 & 6.....Open House to New Families

We're going to mail ourselves to YOU!

Each year for Valentine's Day we take our classes on a field trip to the Post Office. We use this time to help the children learn about addresses and how mail gets from the Post Office to their houses. We mail a special Valentine and have a tour of the Post Office. You have all received the details for the trip in your child's mailbox. We welcome parents and friends to come along with us. Please indicate by putting a star next to your child's name on the permission slip in your child's classroom.

Friendship Parties

Sign-up sheets for food donations for the Friendship Parties are located in the entryway. It is always interesting to see how creative you can be with preparing "naturally" colored snacks in red, purple and pink! Have fun, the children love it!

Thank you for your generous donations!

Last month we received: Juice, oranges, celery, pretzel sticks, cheese, pears, graham crackers, bananas, cheerios, peanut butter, carrots, chocolate chip cookies, golf fish, rice and cheese

Non-food items included: Winter boots

The students and families that donated these items were: Sydney Wells, Amelia Bielawiec, Katelynn Case, Isabella Zaragosa, Olivia Prusak, Logan Giantonio, Jayden Robotham, Karl Janak, Madelaine Sweeney, Kyla Stevenson, Kayla Remmey, Kaitlyn Crowley and Sydney Wells

Four's Show and Tell Fridays

Beginning in February there will be Show and Tell on Fridays for the four-year old classes. Details to follow in your child's mailbox soon!
